

SHABBAT MENUS

We offer a single dish per service, identical for all guests, for Friday night and/or Saturday lunch. Each service can be ordered independently.

In order to maintain the coherence and quality of the menu, it is not possible to select multiple different dishes within the same service.

To place your order, simply choose your starters, cocktail bites and fish dishes, main course, and desserts.

We can adapt the menus according to allergies, dietary restrictions and specific requests.

Orders must be placed at least 72 hours in advance, subject to the availability of kosher products.
